The Customer shall hold the Company harmless and keep the Company fully and promptly indemnified against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by the Company as a result of or in connection with any claim made by or against the Company in respect of any liability, loss, damage, injury, cost or expense whatsoever, howsoever and to whomsoever occurring, to the extent that such liability, loss, damage, injury, cost or expense arises directly or indirectly from the Customer's fraud, negligence, failure to perform or delay in the performance of any of its obligations under the Contract, subject to the Company confirming such costs, charges and losses to the Customer in writing.

12. ORDERS FOR GOODS PLACED THROUGH THE COMPANY'S WEBSITE

12.1 www.tek-tanks.com is a site owned and operated by Tek-Tanks Limited, a company registered in England and Wales under company number is 03857992, with a registered office and main trading address at The Old Stables, West End Farm, Colthouse Lane, Upper Froyle, Hampshire, GU34 4JR, United Kingdom. The Company's VAT registration number is 744 9594 83. The Company is a limited company.

12.2 This Condition 12 sets out the terms on which the Company supplies any of the Goods which are available for purchase through the Company's website at www.tek-tanks.com to the Customer. The provisions of each of the other Conditions herein shall also apply, mutatis mutandis, to any and all orders for Goods placed through the Company's website.

12.3 By placing an order through the Company's site, the Customer warrants that:

- (a) The Customer is legally capable of entering into binding contracts; and
- (b) The Customer is at least 18 years old.

12.4 After placing an order, the Customer will receive an e-mail from the Company acknowledging that the Company has received the Customer's order. Please note that this does not mean that the Customer's order has been accepted. The Customer's order constitutes an offer to the Company to buy Goods. All orders are subject to acceptance by the Company, and the Company will confirm such acceptance to the Customer by sending the Customer an e-mail dispatch confirmation verifying that the Goods have been dispatched. The Contract between the Customer and the Company will only be formed when the Company sends the Customer the dispatch confirmation.

12.5 The Contract will relate only to those Goods whose dispatch the Company has verified in the dispatch confirmation. The Company will not be obliged to supply any other Goods which may have been part of the Customer's order until the dispatch of such Goods has been verified in a separate dispatch confirmation.

12.6 The Customer's order will be fulfilled by the delivery date set out in the dispatch confirmation or, if no delivery date is specified, then within a reasonable time of the date of the dispatch confirmation.

Conditions 12.7-12.10 shall only apply if the Customer is a Consumer.

12.7 The Customer may cancel a Contract at any time within 7 working days, beginning on the day after the Customer receives the Goods. In this case, the Customer will receive a full refund of the price paid for the Goods in accordance with the Company's refunds policy, which is set out in Condition 12.17. This right of cancellation does not apply to any Goods which are custom built, personalised or made to the Customer's specification.

12.8 To cancel a Contract, the Customer must inform the Company by sending an email to Mr. Martin Rye at MartinR@tek-tanks.com pursuant to Condition 19 below. The Customer must also return the Goods to the Company immediately, in the same condition in which the Customer received them, and at the Customer's own cost and risk. The Customer has a legal obligation to take reasonable care of the Goods while they are in the Customer's possession. If the Customer fails to comply with this obligation, the Company may have a right of action against the Customer for compensation.

12.9 Details of how to exercise this right of cancellation are available upon request.

12.10 Nothing in this clause affects the Customer's statutory rights.

12.11 All quoted prices exclude VAT (where applicable) unless otherwise stated. VAT and delivery charges will be added to the sales total at the checkout stage. If the Customer's delivery address is outside the UK, the Customer may be subject to import duties and taxes, which are levied once a shipment reaches the Customer's country. Any such additional charges for customs clearance must be borne exclusively by the Customer. The Customer should note that customs policies vary widely from country to country; we advise all Customers to contact their local customs office for further information.

12.12 The price of any Goods will be as quoted on the Company's website from time to time, except in cases of obvious error.

12.13 Prices are liable to change at any time, but changes will not affect orders in respect of which the Company has already sent the Customer a dispatch confirmation.

12.14 The Company's website contains a large number of Goods and it is always possible that, despite the Company's best efforts, some of the Goods listed on the Company's website may be incorrectly priced. The Company will normally verify prices as part of the Company's dispatch procedures so that, where the correct price of the Goods is less than the Company's stated price, the Company will charge the lower amount when dispatching the Goods to the Customer. If the correct price of the Goods is higher than the price stated on the Company's website, the Company will normally, at the Company's discretion, either contact the Customer for instructions before dispatching the Goods, or reject the Customer's order and notify the Customer of such rejection.

- 12.15 The Company is under no obligation to provide the Goods to the Customer at the incorrect (lower) price, even after the Company has sent the Customer a dispatch confirmation, if the pricing error is obvious and unmistakable and could have reasonably been recognised by the Customer as a mispricing.
- 12.16 Payment for all Goods must be by credit or debit card. The Company accepts payment with Visa, Mastercard and Maestro.
- 12.17 When the Customer returns Goods to the Company:
- 12.17.1 because the Customer cancelled the Contract in accordance with Condition 12.7 (Consumer Rights), the Company will process the refund due to the Customer as soon as possible and, in any case, within 30 days of the day the Customer has given notice of the Customer's cancellation. In this case, the Company will refund the price of the Goods to be returned in full, including the cost of sending the Goods to the Customer. However, the Customer will be responsible for the cost of returning the Goods to the Company;
- 12.17.2 for any other reason, the Company will examine the returned Goods and will notify the Customer via e-mail within a reasonable time of any refund to which the Customer is entitled. The Company will usually process the refund as soon as possible thereafter.
- 12.18 The Company will normally refund any money received from the Customer using the same method originally used by the Customer to pay for the Customer's purchase.
- 12.19 Commentary and other information, materials and/or images appearing on the Company's website are not intended to be relied upon nor to amount to advice on which reliance should be placed. The Company therefore disclaims all liability and responsibility arising from any reliance placed on such information by any visitor to the Company's website, or by anyone who may be informed of any of its contents.

13. CONFIDENTIAL INFORMATION AND INTELLECTUAL PROPERTY RIGHTS

- 13.1 The Customer and the Company agree that in the course of the Company providing Goods and/or Services to the Customer, the parties may disclose to each other certain Confidential Information. The Customer and the Company agree that each party will maintain the Confidential Information's confidentiality and not disseminate it to any third party without the disclosing party's prior written consent, save that this obligation shall not apply to any Confidential Information that either party has a duty (whether legal or otherwise) to communicate or that is in the public domain or is already in the receiving party's possession through no fault of the receiving party.
- 13.2 The Customer acknowledges the Company's ownership of any Intellectual Property Rights in any Goods and/or Services provided to the Customer pursuant to the Contract and agrees not to contest the Company's ownership or use of any such Intellectual Property Rights. Without limitation, the Customer shall not acquire any such Intellectual Property Rights or any licence or grant of rights therein, nor shall the Customer register or attempt or permit to be registered, any such Intellectual Property Rights or any licence or grant of rights therein. The Customer

further acknowledges that, without limitation, any and all Intellectual Property Rights developed by the Company in performing any Services or providing any Goods shall become vested and shall vest in the Company absolutely and shall also be subject to the other provisions of this Condition 13.2.

14. DATA PROTECTION

The Customer acknowledges and agrees that any personal data contained in any information provided to the Company may be processed by and on behalf of the Company in connection with the Supply of any Goods and/or Services.

15. TERMINATION

15.1 Without prejudice to any other rights or remedies which the parties may have, either party may terminate the Contract without liability to the other immediately on giving notice to the other if:

- (a) the other party fails to pay any amount due under the Contract on the due date for payment and remains in default not less than seven days after being notified in writing to make such payment; or

- (e) the other party commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors other than for the sole purpose of a scheme for a solvent amalgamation of that other party with one or more other companies or the solvent reconstruction of that other party; or
- (f) a petition is filed, a notice is given, a resolution is passed, or an order is made, for or on connection with the winding up of that other party other than for the sole purpose of a scheme for a solvent amalgamation of that other party with one or more other companies or the solvent reconstruction of that other party; or

- (k) any event occurs, or proceeding is taken, with respect to the other party in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in condition 15.1(d) to condition 15.1(j)condition 15.1(h) (inclusive); or

15.2 On termination of the Contract for any reason:

- (a) the Customer shall immediately pay to the Company all of the Company's outstanding unpaid invoices and interest and, in respect of any Services supplied but for which no invoice has been submitted, the Company may submit an invoice, which shall be payable immediately on receipt; and
- (b) the accrued rights and liabilities of the parties as at termination and the continuation of any provision expressly stated to survive or implicitly surviving termination, shall not be affected.

15.3 On termination of the Contract (however arising), conditions 9-14 and 19 shall survive and continue in full force and effect.

16. ASSIGNMENT/SUBCONTRACTING

16.1 The Company may assign the Contract or any part of it to any person, firm or company.

16.2 The Customer shall not be entitled to assign the Contract or any part of it without the prior written consent of the Company.

16.3 The Company, but not the Customer, shall be entitled to subcontract any or all of its obligations under all or any part of the Contract.

17. FORCE MAJEURE

The Company reserves the right to defer the date of delivery and/or performance, or to cancel the Contract or reduce the volume of the Goods and/or Services ordered by the Customer (without liability to the Customer) if it is prevented from or delayed in the carrying on of its

business due to circumstances beyond the reasonable control of the Company including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, provided that, if the event in question continues for a continuous period in excess of 180 days, the Customer shall be entitled to give notice in writing to the Company to terminate the Contract.

18. GENERAL

- 18.1 Each right or remedy of the Company under the Contract is without prejudice to any other right or remedy of the Company whether under the Contract or not.
