

Quotation Request Form

These tank shapes are the most commonly used in boats. All dimensions indicated are important and necessary to prepare a quotation for manufacture.

It is usual to the top of the tank to be horizontal and at right angles to the vertical bulkhead. If your requirement is different then please indicate this.

If you required shape is not shown, please sketch it clearly on another sheet of paper and attach to this form when returning.

Please indicate clearly the following:

- Size and position of any fittings. (if outlet/s is on top, show dip tubes)
- Direction of elbows (if any)
- Size and position of any inspection hatches
- Indicate any right angles

Please use a separate sheet for other shapes or to redraw tanks larger.
