An INAB accredited Certification Body Reg. No. 6022.

This certificate is supported by a report bearing the same certificate number.

This certificate is the property of HPI Verification Services (Ireland) Ltd. & shall not be amended or issued to others.

The manufacturer must inform HPI Verification Services (Ireland) Ltd. of any changes that affect any of the assessed Essential Requirements.

Failure to do this will invalidate the Certificate.

The applied conformity assessment module does NOT allow the client to affix HPI Verification Service's *Notified Body* identification number on the product.
